Jim,

I tried my best to get a stipulation, or even better a plea, but with no success. The case is still on for trial tomorrow. I can tell you that there is a case ahead of it (a sexual assault) that is likely to be a trial as well, but I still need to have all the witnesses there just in case. I know its a long trip to make for a case that may not be reached, but I'm sure you guys are dealing with that quite a bit lately with the new law. If anything comes up tonight or tomorrow morning you can reach me on my [REDACTED] otherwise I will see you in North Adams. Thanks Jim.

Hi Bob,

No problem. If needed I can be there.

Thanks,

Jim

Jim,

The last time I spoke to the defense attorney on this case it was going to be a trial and he would not stipulate to the drug analysis. I have a call into him right now to see if that is still the case and will let you know as soon as I hear from him, hopefully later this afternoon.
